STARTLE BUTT
A movie about functional color by Perrin

1. Title
2. Caterpillars eating leaves
3. Sad face
4. Other caterpillars bound on leaves
5. Charlie butt

That afternoon as the caterpillars munched...

A flock of squawks arrived in leafland hungry for caterpillars

The caterpillars dove under leaves to hide but Charlie's butt was sticking out

The squawks thought it was a squawk eating grack!

And flew away! Charlie's startle butt saved the caterpillars of leafland
